## STAIN GLASS WINDOWS REPAIR AND RENOVATION:

We have been blessed by a beautiful collection of Stain Glass windows that are installed along the main nave of the church, confessional and sacristy. These Croatian Holy men and women are a reminder that when we worship God during mass the whole heaven gathers around the “throne of the Lamb.” They are also a reminder of our Universal Call to holiness that we have all received at Baptism. We hope to join them one day in our true homeland – the heavenly Jerusalem – praising and adoring the Lord face to face.

These stain glass windows are in need of maintenance and repair. We thank those who have donated these windows couple decades ago and we would like to preserve this heritage for years to come. The time to act is now because the longer we wait the more expensive the repairs will be. There are already cracks in some of the glass as well as bulging due to structural issues with the panels. We have received a quote from Prairies Studio Glass for these repairs. This reputable company did and does stain glass window project for many churches in the city. To do the work we need it cost about \$1,500.00 per window. There are six windows out of the existing nine that are available as well as two refurbished windows from the Czech Church that are going to be installed at entrance from the narthex to the nave.

After discussion with the finance council we would like to proceed with this project in a following manner. To help us cover some of the costs we ask you prayerfully consider donating a minimum of \$1,000 toward a window. As a token of appreciation your name is going to be written under the existing name of those who donated the window in the past.

If you have a saint/window you would like to adopt or if you have any other questions please contact the office by phone or email. Thank you for your prayers and considerations as we proceed with the project. More information will be forthcoming next week and on our website.

**PUBLIC MASSES:** Currently the limit on church gatherings in the Province of Manitoba is 50% of church capacity or **150 people** whichever is lower. For our church this means around **80 people** are allowed to gather at any one time for mass due to physical distancing requirements. Therefore, the following has been decided with regards to Masses:

**WEEKDAY MASSES (Monday to Friday)** – these masses are open on a first come first serve basis up to **80 people**. Please sign in with your first and last name and phone number upon entering the church. This information is confidential and is stored for 21 days for contact tracing purposes.

**SATURDAY AND SUNDAY 9:00AM** – These mass times are open to all parishioners of St. Nicholas Tavelich church on a first come first serve basis without a need to register prior to the mass. However once again you need to write your name and phone number upon entry for contact tracing purposes.

**SUNDAY 11:00AM:** You need to register for the mass prior by writing your name down on the registration sheet located in the narthex. If you have not registered you can still come on the first come first serve basis depending how much room we have left.

**FACE COVERING (MASK) IS mandatory at ALL TIMES, physical distancing between members of different households, use of hand sanitizer.** If you are sick or experience symptoms of COVID-19 please stay home

A big thank you to Joe Brnjas and Ultimate Flooring Company for donating and installing the carpet tiles in the Narthex area. May you be blessed. Hvala Vam od srca!
